<p>Bill:</p> <p>Here is the 1003 for the BIG LOAN.</p> <p>Heath will order the appraisal. The woman has \$200,000 in medical equipment that is not listed on the 1003---you can use that if you want to. I know that you will tweak this thing to make it work. We need to stay away from having to provide tax returns. The seller wants an approval letter from you or as a result of DU</p> <p>Get back to me</p> <p>Lloyd</p>
